

Helping Students Succeed During the Pandemic

Legal Aid may be able to help if your child is having trouble in school, including the problems listed below. The pandemic has added new issues that can get in the way of a child's success in school.

COVID-19 Issues

- Trouble with remote learning
- Missing educational services
- Child needs additional supports

Access to School

- School enrollment
- Transportation problems
- If child is English Language Learner or problems with language access services

Special Education & Academic Success

- If a child has IEP or 504 Plan and is not receiving appropriate services
- Problems with virtual IEP Team or other school meeting
- Special education evaluation or supports

School Discipline

- Suspensions or expulsions
- Other exclusion from the classroom (in-person or online)
